

## NTA Refund Policy

Any camper deciding to cancel their registration must notify the NTA office in writing (letter, email or fax). The request may be made by minister or parent. A full refund of the fee paid will be returned to the church if the request is received in the office 14 days prior to the first day of camp. Half of the fee paid will be refunded if the request is received 1 - 14 days prior to the first day of camp. No refund will be made if you do not cancel and do not arrive at camp except in the case of illness or extreme or family emergency. Please notify the NTA office in this case, so we may notify the camp directors and process the refund.

It is the church's responsibility to reimburse the camper/parent. All refunds are subject to an administration fee (\$5.00) deducted from the refunded amount.
